TEXAS HEALTH CARE IN CRISIS WHAT YOU NEED TO KNOW

Texas families are confronted with serious challenges in health care facing our aging population and their caregivers. Our expert speakers will help inform you about how to confront the crisis in health care.

- ✓ Which advance health care directives may save your life and those of your loved ones
- ✓ Facts about ventilators, CPR, DNR Do not (attempt to) Resuscitate Orders
- ✓ Learn about the Texas Protective Medical Decisions Document (PMDD)
- ✓ Fighting for life at the state capitol
- ✓ Learn why the essence of "futile medical care" theory is involuntary euthanasia by omission
- ✓ Understand the Texas Medical Orders for Scope of Treatment (MOST)
- ✓ Death by dehydration - a growing practice in Texas health care - is not death with dignity
- ✓ Managing Pain—Primary purpose of medicine
